SANDY PASHKIN
NCCWMA President

P R E S E N T.

I hereby send this letter in behalf of the Juarez City Major Armando Cabada Alvidrez.

It is an Honor for Our city to be considered by your committee as the best place to organize The 2017 NCCWMA Track & Field Championship.

Due to political changes that arise budgeting difficulties, among other issues. We haven't be able to conclude on the improvement of our Athletic facilities as it was pointed in the organizing agreement signed back on November 2015. For this involuntary reason, at this time we as a City are facing several difficulties to attain the compromise of hosting and organizing this Championship. Unfortunately it leave us not choice but decline.

Appealing your understanding.

Sincerely Yours.

RESPECTFULLY
