

## Volunteering for the World Masters Athletics Championships 4th – 16th of August - Lyon, France

France will host for the first time the XXI World Masters Athletics Championships in Lyon between the 4<sup>th</sup> and the 16<sup>th</sup> of August 2015. The local organizing committee is looking for 500 volunteers who will be essential to make it a success.

### ■ **WMAC presentation:**

The WMAC are the biennial championships for athletes over the age of 35 years old. All stadia and non-stadia disciplines are represented during the competition. They are a worldwide event held by the World Masters Athletics and organised in 2015 by the Rhône-Alpes Athletics Federation.

More than 8000 athletes coming from 100 countries are expected in Lyon: it will be one of the biggest sport events in France in 2015.

The city of Lyon who is hosting the WMAC is the place to be. Lyon is a land of athletics, history and the heart of the French gastronomy.

### ■ **Why become involved:**

Being involved for the competition as a volunteer will bring you a real experience during an international sporting event. Below you will find some of the best reasons to join us.

- Living an amazing experience from the heart of the Local Organizing Committee.
- Meeting people from around world and living an unforgettable experience
- Being an actor of the athletic development
- Discovering the city of Lyon and its treasures

### ■ **The benefits of being volunteer during the WMAC:**

Being volunteer for an event is always a rewarding experience. Here's some benefits you will obtain if you join us:

- You will be an ambassador of the event. Volunteers are the first people the athletes will meet in the stadium.
- The variety of volunteering in tasks such as sports, awards ceremonies, logistics, catering, will enable you to establish a worthwhile involvement.
- Each volunteer will receive a full official uniform, be part of the volunteer program that includes several events and he will also receive a certificate of participation.
